Aloha Castle 'Ohana,

We are aware that from time to time, students may choose to participate in peaceful gatherings or demonstrations related to issues of personal or national importance.

We respect students' rights to peacefully assemble and express their views in a manner that does not disrupt instructional time. Students may gather before school, after school and during scheduled recess or lunch periods in designated areas identified by the school. School staff will be present to monitor designated areas and ensure a safe and orderly environment for all.

At the same time, we expect all students and staff to report to their scheduled classes and work assignments. Instructional time remains a priority. Students who leave class during instructional time without permission will be marked absent in accordance with our attendance policy.

Thank you for your continued partnership in supporting students' voices while reinforcing expectations that help keep our school safe and focused on learning.

If you have questions, please contact our office at (808) 305-0700.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Tyrell".
